# 7 Benefits

## of eStatements

### Check Images For All

eStatement customers get free check images regardless of what account type you have!

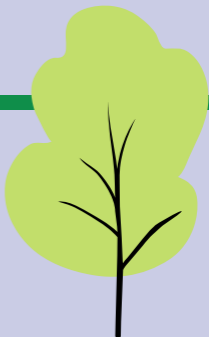

### It's All There

12 months of statements are available 24/7, and we won't charge you if you need a paper copy of a statement older than 12 months.

### Save a Tree; Be Clutter Free

eStatements are better for the environment. Plus, you have one less thing to add to that stack of papers to be filed later this month (or... year).

### Fast & Secure

eStatements are direct from us to you, with no middleman. You don't need to wait for snail mail or worry that someone else is viewing your statement.

### Balance Quicker

Our on-screen balancing tool does the math for you! Just enter your outstanding checks or deposits, and voila! Balanced-to-the-penny.

### Easier Access

More than one account-holder or authorized signer can access statements for no additional charge.

### No Obligation

Give eStatements a chance! But, if you decide eStatements aren't for you, contact us anytime to switch back to paper statements.
